### President's Message

Dear Members,

The 94<sup>th</sup> CWGA golf season is now officially closed following a very well attended Annual Meeting on October 15<sup>th</sup> at the Hartford Golf Club. While it is sad to see our season come to an end, the Annual Meeting provides a nice opportunity to see friends, celebrate the winners and find out what is in store for next year. At the meeting it was announced that **Gail Reifsnyder** and **Terri Forde** were moving and would be resigning from the Board. They have both been assets to the organization and will be greatly missed. I am extremely grateful to the two members who have agreed to take over their positions for the remainder of the term: **Helene Nichols** will serve as Secretary and **Diane Rothwell** will take on Terri's role as Cup Coordinator for the team matches.

While all the tournament results are contained in this newsletter, I'd like to point out a few milestones that are worth noting: **Nicole Yatsenick** won the CWGA Championship for the 3<sup>rd</sup> consecutive year in June. At the NEWGA Championship in July, **Katie Partridge** became the first CT player in 22 years to win the Championship. CT also won the NEWGA State Team Trophy for the 3<sup>rd</sup> consecutive year. The CWGA team made history at the Endicott Cup Competition led by **Captain Paula D'Aniello-Lupi** and **Asst. Captain Joyce Curran**. The CT Gross team won the Tri-State Bowl for the first time in 19 years and the Net team captured the Eaton Cup – the first time in 21 years that CWGA has won both of the team events. Congratulations to ALL of our 2013 winners as well as everyone who achieved personal milestones in the game we all love.

I'd like to thank the dedicated members of our Governing Board for their continued support and for donating their time and talent for the benefit of all in our organization. Several will be finishing their term at the end of next season and we are beginning the process of seeking members for positions on the 2015-2016 Board. A diverse Governing Board with members from as many different clubs as possible is the ideal. If you belong to a club that has not had a presence on the Board in several years, please take the initiative and offer your help for the next term. No experience is necessary and you will likely learn a new skill as a result. Board positions are traditionally held for one 2-year term although some request to remain for an additional term or accept another position. There are generally four Board meetings held during the year – 3 during the off-season - and we do accommodate Board members who head south for the winter. The continued success of the CWGA is dependent on all members sharing the responsibility of managing it.

Best wishes to you all for a happy and safe winter.
