### President's Message

The 97th CWGA golf season is in the history books, and sadly we must recognize that the falling temperatures signal the end of comfortable golf in Connecticut. As I transition into my role as president, I am forever grateful for the many remarkable women who have gone before me, and am confident that CWGA will continue to offer the women and girls of the State of Connecticut challenging golf opportunities for at least another ninety-seven years.

It is my pleasure to welcome two new CWGA board members: Patti Cheyne, treasurer, and Debbie Johnson, NEWGA captain. With their fresh ideas and commitment to serve on the board, they will make immediate contributions to the organization. There are also several members of the board who have assumed different positions with new responsibilities: Thirza Hyatt is our new site planner, Suzanne Harris is the new secretary, and Norma Noyes remains on the board as head of the nominating committee. With Norma's wealth of knowledge in all things CWGA, I appreciate that she is only a phone call away at her new home in FL. I know we all wish her the best and look forward to her return to CT in the spring.

Our website continues to evolve in order to better serve our membership, an endeavor for which Jean Sennett's dedication and devotion is to be commended. We have added a monthly newsletter this past year in order to increase communications with members, informing them of upcoming events as well as listing winners of previous tournaments. Each and every board member should be thanked individually for her gracious donation of time but I would need three pages to sing their praises! Suffice it to say they are a remarkable group of women, no two alike, who continue to offer their unique and progressive ideas for the board to ponder.

Finally, I wish to take this opportunity to petition our seasoned members of CWGA: Be a Mentor in 2017. Take new women golfers under your wing. It generally requires about five to ten on-course friendly, coaching, mentoring experiences offered by a seasoned golfer to a new golfer before she feels comfortable enough to go out on the course on her own. Encourage newer golfers to participate in CWGA competitions, and enlist your friends to be mentors as well. Stroke play competitions are historically less subscribed to however most players, after their first experience out there on their own, find that it really wasn't all that bad! Since participation in our CWGA Championship continues to drop in numbers each year, this might be the perfect opportunity to consider being a mentor.

I wish you all Happy Holidays and all the best for the New Year. I look forward to seeing you at the CWGA Opening Mixer on May 1, 2017 at Ellington Ridge Country Club.
